

Insurance Experience that Matters

Prophix easily integrates data from your financial and insurance-specific solutions, giving you a consolidated, real-time view of your performance and allowing you to proactively search for insights to adjust premium rates and reduce payouts to reach your maximum profit potential.

“Since we began using Prophix, we have increased the firm’s profitability and decreased our costs. It has allowed us to look more deeply, with more insight, into our operating costs and determine how we can become more efficient. Combined with the changing insurance environment, these insights have allowed us to really increase our productivity and better run our business.”
